At NFB, we believe that dance dress code is of the utmost importance. It improves the quality of a student's education. We want our students to understand that proper dress in dance is a tradition. The body is a dancer's tool. A dancer must keep their physique in top condition. A student in correct dress code also shows respect for the instructor and the art form of dance.

ALWAYS LABEL ALL OF YOUR CLOTHING AND BELONGINGS. NFB is not responsible for lost or stolen items.
